14) Notes:

Please book 6 hours of ice per tourney. Ties are permitted. Each team will be assigned a dressing room for the day. Put a 2 minute warm-up on the clock and set a 50 minute curfew with no time-outs being allowed during tourney play. It is possible to use a 2 or 3 on-ice official system when it comes to refereeing, but your officials will need to sign-off that they have read and will follow the LGSSAA Playing Regulations (e.g. non-checking, different rules in regards to on-ice conduct, etc.) In addition, the home team is responsible for having off-ice officials to run the score clock and completing the game sheet.
